

celebrating today. preparing for tomorrow.

Greenville Works Celebrates South Carolina Industry Appreciation Week January 25-29, 2010

Greenville Works is a partnership which exists to create a workforce advantage in Greenville County that promotes economic development for the benefit of the community and its citizens.

The twelve partners of Greenville Works salute the members of local industry for their numerous business, economic, civic and charitable contributions to making Upstate, South Carolina a great place to live and do business.
